TEST FORMAT & DELIVERY

iTEP exams are delivered via the internet and must be administered at a secure location or a certified iTEP test center. The examinee completes the test in the following manner:

- During the grammar, listening, and reading sections, the examinee clicks on one of four answer choices for each question.
- Writing samples are typed directly into a text-entry field.
- Speaking samples are recorded with a headset and microphone at the examinee's computer.
- iTEP Academic-Core is also available in a paper-based format.

iTEP Academic Structure

In each section, examinees will encounter content and questions targeted to varying levels of proficiency.

E Speaking — 5 minutes/ two parts (plus one minute warm-up section)

- Part 2.** The examinee hears a brief upper-level statement presenting two sides of an issue, then is asked to express his or her thoughts on the topic, with 45 seconds to prepare and 60 seconds to speak.

Scoring/Grading

The test will determine an overall proficiency level from 0 (Beginner) to 6 (Mastery), as well as individual proficiency levels from 0 to 6 for each of the skills and sub-skills tested. The overall scores combine the results of the skill sections, and for greater accuracy, they are expressed to one decimal point (from 0.0 to 6.0). The test is graded as follows:

- The grammar, listening, and reading sections are scored automatically by iTEP software.
- Each test section is weighed equally, and there is no penalty in the multiple-choice sections for guessing or incorrect answers.
- The writing and speaking sections are evaluated by native English-speaking, ESL-trained professionals, according to a standardized scoring rubric.
- The official score report presents an individual's scoring information, displaying an examinee's strengths and weaknesses in each of the skills and sub-skills tested.

SCORE REPORT

The iTEP Score Reports are designed to easily compare students and track improvements. Scores are aligned with the Common European Framework of Reference (CEFR) and evaluate expected "real-world" language skills, based on the examinee's level.

iTEP VERSUS IN-HOUSE ENGLISH TESTING

American Language Academy President Yuni Nguyen found that developing an in-house test was ultimately more costly than using an external test like iTEP. Some considerations were: creating multiple forms of the test to avoid repetition, the costs of printing test materials, and the time it took to administer and grade the test. After analyzing the financial and temporal costs of their own test, the American Language Academy began using iTEP and found that it immediately saved them money.

PRAISE FOR iTEP ACADEMIC

"iTEP is quick and flexible to administer, which keeps costs low. iTEP also offers superior customer service."

**–Yuni Nguyen, President,
American Language Academy,**

"iTEP Academic is a wonderful alternative to other English language proficiency tests. iTEP makes an ideal assessment tool to measure ongoing progress, and a viable exit examination that measure the proficiency of students who have completed your program."

**–Paul Hofmann, PhD,
California State University, Fresno, CA**

"We administer iTEP on campus and have found it efficient and easy to use. I like that we receive quick scores and reports with useful feedback that we make available to students."

**–Rebecca Lawrence,

Colombian Government Chooses iTEP Exam to Help Improve Nationwide English Proficiency

In 2009, the Colombian Ministry of Commerce, Industry, and Tourism, and the Colombian Department of Education joined forces to devise an initiative aimed at attracting foreign investment into Colombia. By evaluating and improving the English proficiency levels of Colombian professionals, the government took one step closer to making Colombia a prime destination for foreign investment particularly in the customer service and call center industries. The name chosen for this English improvement initiative was "ISPEAK".

Colombian Minister of Commerce Luis Guillermo Plata was one of several high-ranking officials who took the iTEP exam to become more familiar with its many advantages as an English assessment tool.
